AUDITORIUM

The auditorium is the largest space available to hire and it boasts a versatility that enables you to host your event in whichever style meets your needs.

The Forum, like the auditorium, can be set up in a number of ways to suit your needs and boasts a private bar. This area can also be used for buffet service being close to the Auditorium and our fantastic kitchen.

Our beautiful, spacious venue is available on a dry hire basis allowing your chosen catering team to make use of our fully equipped commercial kitchen as well as over 50 large tables, our theatre and dining chairs, plus trestle tables for your food service area. You are welcome to provide your own soft and alcoholic drinks for a reasonable corkage charge.

You are welcome to bring in your own decorators. Likewise, our experienced technical team can provide beautiful lighting to compliment your colour scheme.

Alternatively we can provide a full catering service for your special day; our talented Head Chef can create a selection of mouth-watering dishes and our dedicated events will provide a professional and friendly service; supporting you from the day you book to the day of your wedding celebration.
